Subject: HPNS | Add document to the website - Draft Evaluation of Radiological Remediation Goals for Onsite Buildings
Attachments: 2020_08_20_EPA letter on Navy HPNS Building RG Evaluation.pdf

Hello, Art!

Can you please help us add this document to the website? I would like it to be added to two special collections: "Radiological Retesting" and "Five Year Reviews." We should suggest the records center call it "Ltr: Review of draft addendum to 4th 5-Year review evaluating radiological remediation goals for buildings." It should be dated 08/20/2020.
